Since its founding in 2023, Great River Voices has brought together a diverse group of singers who share a love of music and a commitment to creating a welcoming, encouraging space where individuals feel empowered to take risks, learn, and grow together. Rooted in inclusion and community, GRV actively works to uplift voices that have been historically

underrepresented, both on and off the stage. Through performance and outreach, the chorus continues to engage and enrich the Kentuckiana community while living out its mission to empower, engage, and inspire.

This show will feature a special guest performance by 2025 Barbershop Harmony Society International Finalists, Smoke Ring, a queer, mixed-voice barbershop and contemporary a cappella quartet based in New York, NY. The program promises a diverse range of vocal talent and repertoire that will resonate with every audience member while showcasing GRV's continued pursuit of musical and emotional excellence.

GRV Chorus Director, Drew Wheaton, shares, "The love I witness between the singers of GRV at every rehearsal is more than performative; it is foundational to who we are. This concert is an embodiment of that spirit, woven through every note we sing."

The chorus invites local media to join them not just in sharing this event, but in celebrating the unity and joy that only this kind of music-making can bring. Experience a slice of what makes GRV a powerful force in the community, whether through a behind-the-scenes look at rehearsals held every other Wednesday at 7:00 PM at Thoroughbred Hall in Jeffersontown, KY, or by attending the concert itself.
